2025 Round-up

As we reflect on 2025, we would like to extend our sincere thanks to all our customers, partners, and suppliers for your continued trust and support throughout the year. It has been another busy and productive year, and your collaboration has played a vital role in our success.

Throughout 2025, our focus has remained firmly on delivering reliable, efficient, and cost-effective transport and storage solutions. Despite ongoing challenges across the logistics sector, our team has continued to keep supply chains moving smoothly, adapting quickly to customer needs and market demands.

This year, we have continued to invest in our fleet, equipment, and infrastructure, ensuring we maintain high operational standards and service reliability. Alongside this, we have refined our logistics processes to improve efficiency, visibility, and responsiveness across general haulage, storage, and distribution services.

Above all, 2025 has been about people, our experienced team, whose dedication and professionalism underpin everything we do. Their flexibility, problem-solving approach, and commitment to customer service continue to set Nigel Rice Transport & Storage apart.

As we look ahead to 2026, our focus remains on growth, innovation, and strengthening relationships, while continuing to provide the dependable service our customers rely on every day.
